End Application:

1430-01-418-4396

Special Features:

Thickness: 0.093; mounting center length 3.437

Material:

Steel comp 301

Specification Data:

18876-100a government standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
