**Overall Length:**

7.000 inches

**Overall Height:**

4.376 inches

**Product Name:**

Circuit card assembly

**Special Features:**

Graphics solution features nvidia, processing core: >192, frame buffer memoy: 1gb gddr5, memory: 128-bit, memory bandwidth: 41.6gb/s, display connections: dvi-i (1) and dp (2) maximum power consumption: 62w, graphics bus: pci express 2.0 x 16, 3d vision pro: support via usb, supported platforms: windows 7, windows vista, windows xp, linux, solaris

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A511k0
