## NSN 5998-01-604-9402

Circuit Card Assembly - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5998-01-604-9402

Overall Length:
7.000 inches
Overall Height:
4.376 inches
Product Name:
Circuit card assembly
Special Features:
Graphics solution features nvidia, processing core: >192, frame buffer memoy: 1gb gddr5, memory: 128-bit, memory bandwidth: 41.6gb/s,
display connections: dvi-i (1) and dp (2) maximum power consumption: 62w, graphics bus: pci express 2.0 x 16, 3d vision pro: support via
usb, supported platforms: windows 7, windows vista, windows xp, linux, solaris
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A511k0
