End Application:

Light armored vehicle

Product Name:

Basic ov protect manifold isolated gnd pcb assembly

Special Features:

Consists of 1 manifold printed circuit board, 7 capacitors, 4 diodes, 2 connectors, 20 resistors, 1 thermistor, 2 regulators, adhesive a/r

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A500n0
