Overall Length:

13.30 inches

Overall Height:

2.38 inches

Overall Width:

4.80 inches

End Application:

Unracked adsi

Product Name:

Central processing unit

Special Features:

Usbports 2.0 compliant one external type a two internal; ps/2 mouse and keyboard 6pin mini din; video contriller db15 feamale connector; ethernet 10base t/100base-tx rj45 connector;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
