Overall Height:

0.492 inches

End Application:

Industrial pc

Product Name:

High density optoisolated input plus relay output pc/104 module

Special Features:

20 optoisolated digital inputs; 20 spst relay outputs; inputs accept 3-24 volt ac or dc; outputs switch up to 5 a at 250 vac; detachable connectors for relay contacts

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
