End Application:

Ncbs input output controller no. 1

Product Name:

Ethernet network interface card (nic)

Special Features:

Description: front i/o, dual 100basefxport, sc connectors, pci 66/33mhz capable, rohs compliant, ethernet/lan resource center

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
