**End Application:**

Tacmobile

**Product Name:**

Cisco catalyst 4900m

**Special Features:**

Up to 320 gbps and 250 mpps wire speed performance with low latency; 17.5 mb shared buffers; modular half card slot quantity, 2' 10/100/1000 ports, 40; 10 gigabit (rj-45) ports, 16; 10 gigabit ethernet (fiber) ports, 24; shared buffer, 17.5 mb; cpu 1.3ghz; has usb port; compact flash memory support; system reset button; operating temperature 32 to 104 degrees fahrenheit; relative humidity, 10 to 90 percent, noncondensing; operating altitude, -60 to 2000m

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A511k0
