End Application:

Tacmobile

Product Name:

Cisco catalyst 4900m

Special Features:

Up to 320 gbps and 250 mpps wire speed performance with low latency; 17.5 mb shared buffers; modular half card slot quantity, 2' 10/100/1000 ports, 40; 10 gigabit (rj-45) ports, 16; 10 gigabit ethernet (fiber) ports, 24; shared buffer, 17.5 mb; cpu 1.3ghz; has usb port; compact flash memory support; system reset button; operating temperature 32 to 104 degrees fahrenheit; relative humidity, 10 to 90 percent, noncondensing; operating altitude, -60 to 2000m

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
