End Application:
Tacmobile
Product Name:
Cisco catalyst 4900m
Special Features:
Up to 320 gbps and 250 mpps wire speed performance with low latency; 17.5 mb shared buffers; modular half card slot quanity, 2'
10/100/1000 ports, 40; 10 gigabit (rj-45) ports, 16; 10 gigabit ethernet (fiber) ports, 24; shared buffer, 17.5 mb; cpu 1.3ghz; has usb
port; compact flash memory support; system reset button; operating temperature 32 to 104 degrees fahrenheit; relative humidity, 10 to 90
percent, noncondensing; operating altitude, -60 to 2000m
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
