Body Style:

L-shaped

End Application:

6625-01-565-9819; program set, application

Mounting Facility Type And Quantity:

1 unthreaded hole all mounting facilities

Product Name:

Card guide, assembly

Special Features:

Assy consists of part 02005a3017, holder, electrical card, snap-in, cage 01365; part 05005a1012, bracket, angle, cage 01365

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
