End Application:

B1b se

Product Name:

Module, analog input, ni-9221

Special Features:

Description: 8 channel c series modules; high speed measurement with w/d connector; -40 to +70 degrees c; l=3.469 in; w=2.783 in; ht=0.900 in; analog voltage

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
