**End Application:**

B1b se

**Product Name:**

Module, analog input, ni-9221

**Special Features:**

Description: 8 channel c series modules; high speed measurement with w/d connector; -40 to +70 degrees c; l=3.469 in; w=2.783 in; ht=0.900 in; analog voltage

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A511k0
