Product Name:

Vx point video crosspoint switch

Special Features:

8 inputs/32 outputs; memory dtb slave (rmw) a24, d16/08 (eo) vme interface; unrestricted switching between 8 video inputs and 32 video outputs; 150mhz bandwidth; intelligent communications controller; air cooled; conformal coated level 0; all outputs default to off

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
