Overall Length:

11.300 inches

Overall Height:

1.700 inches

Overall Width:

17.200 inches

Major Components:

1u chassis (black); backplane, p/n bpnas-510t; cables: 16-pin to 16-pin 32.5 cm front cable, 35cm sata cable; 40x28mm pwm cooling fan; front panel control board; hard drive: black 2.5 sas/sata hdd tray; power supply: 200w high efficiency low noise, p/n pws-201-1h

End Application:

Single processor support for: intel core 2 duo, xeon 3000 series (up to 65 w), intel celeron 400 series, intel atom 200/300 series

Features Provided:

Electrostatic sensitive

Product Name:

Superchassis 5105-200 (black)

Functional Description:

Mini 1u chassis support for motherboard sized 9 x 6 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A511k0
