Overall Length:

5.25 inches

Overall Height:

6.25 inches

Overall Width:

4.25 inches

Major Components:

Terminal block, thermostat switch, sensing bulb

End Application:

Apl update

Product Name:

Single point on/off temperature control

Functional Description:

Line sensing thermostat

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
