**Overall Length:**

5.25 inches

**Overall Height:**

6.25 inches

**Overall Width:**

4.25 inches

**Major Components:**

Terminal block, thermostat switch, sensing bulb

**End Application:**

Apl update

**Product Name:**

Single point on/off temperature control

**Functional Description:**

Line sensing thermostat

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A511k0
