Overall Length:

5.00 inches

Overall Height:

3.70 inches

Overall Width:

2.00 inches

End Application:

Used on: emergency power distribution switchboard

Product Name:

(inavy) circuit protct assembly

Functional Description:

Assy on dwg derived from 719386-t05 rev 5 meets high impact medium weight shock requirements

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
