Overall Height:

2.2 inches

Overall Width:

3.4 inches

End Application:

Network computer

Product Name:

Pci express fiber gigabit interface card

Special Features:

Vlan support; 17 receive queues and 16 transmit queues; provides possible bandwidth and bus efficiency while providing the benefits of low power consumption

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A511k0
