Overall Length:

29.50 inches

Overall Width:

14.94 inches

End Application:

2320-01-552-7781

Product Name:

Panelboard

Special Features:

Numbers of circuits - 30; main breaker - ampere rating - 100; breaker type ed4; amperange - 100; bus material - copper; feeding location - top; mounting - surface

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
