End Application:

Filter, Ic lo

Product Name:

(inavy) electronics assembly; (dwg title) electronics assembly, Ic low pass filter

Special Features:

Used on: 0a-9070e/bqq; note: design responsibility for engineering drawing is transferred to electric boat corporation cage 96169; testing is continuity and ir which are performed in eb-4821 sections 2.5 and 2.6; cage 0ek19 isthe oem and cage 96169 general dynamics electric boat is design agent

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
