Overall Length:

6.00 inches

Overall Height:

0.75 inches

Overall Width:

4.38 inches

End Application:

Threat emitte

Product Name:

Circuit card assembl; (dwg title) pulse input protection

Special Features:

Pulse input protection for in ase transmitter

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A511k0
