Overall Length:

4.57 inches

Overall Height:

0.63 inches

Overall Width:

2.75 inches

Major Components:

Full-numeric keypad, soft key functions, supports english, european, and asian languages, has flashing lcd screen.

End Application:

30hp var spd

Product Name:

Human interface module

Special Features:

Uses 140 ma at 12vdc, operating temp is 0.0c to 50.0c

Functional Description:

Nema type 1 him

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A511k0
