Overall Height:

22.0 millimeters

Overall Width:

167.0 millimeters

End Application:

Apl update

Features Provided:

Rohs directive compliance

Product Name:

Two-port, 10-gigabit ethernet network adapter

Special Features:

Has bus interface. Direct attachment typical usage is 12.8 watts with a usage of 13.9 watts. The operating temperature is 0.0 to 55.0 degrees celcius. The storage temperature is minus 40.0 to 70.0 degrees celcius. The sfp+ direct attached cables distance is 7.0 meters.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A511k0
