**Overall Height:**

22.0 millimeters

**Overall Width:**

167.0 millimeters

**End Application:**

Apl update

**Features Provided:**

Rohs directive compliance

**Product Name:**

Two-port, 10-gigabit ethernet network adapter

**Special Features:**

Has bus interface. Direct attachment typical usage is 12.8 watts with a usage of 13.9 watts. The operating temperature is 0.0 to 55.0 degrees celcius. The storage temperature is minus 40.0 to 70.0 degrees celcius. The sfp+ direct attached cables distance is 7.0 meters.

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A511k0
