Point Diameter:

0.109 inches

Overall Length:

0.750 inches

Overall Height:

0.438 inches

Overall Width:

0.562 inches

Unthreaded Mounting Hole Diameter:

0.164 inches

Mounting Facility Quantity:

1

Current Rating In Amps:

25.0

Mounting Method:

Unthreaded hole

Material:

Silver contact

Precious Material And Location:

Contact silver

Precious Material And Weight:

0.005 silver grains, troy

Precious Material:

Silver

Surface Treatment:

Any acceptable contact

Style Designator:

Leaf tap contact w/ round flatted fixed point

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A222a0
