Point Diameter:

0.125 inches

Overall Length:

0.750 inches

Overall Width:

0.625 inches

Unthreaded Mounting Hole Diameter:

0.156 inches

Mounting Facility Quantity:

1

Mounting Method:

Unthreaded hole

Special Features:

Right hand shape

Material:

Silver contact

Precious Material And Location:

Contact silver

Precious Material And Weight:

0.005 silver grains, troy

Precious Material:

Silver

Style Designator:

Flat leaf contact w/ round flatted fixed point

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
