Point Diameter:

0.156 inches

Overall Length:

0.906 inches

Overall Height:

0.156 inches

Overall Width:

0.313 inches

Unthreaded Mounting Hole Diameter:

0.152 inches

Mounting Facility Quantity:

1

Voltage Rating In Volts:

115.0 dc

Point Height:

0.156 inches

Current Rating In Amps:

300.0

Mounting Method:

Unthreaded hole

Material:

Silver contact

Precious Material And Location:

Contact silver

Precious Material And Weight:

0.005 silver grains, troy

Precious Material:

Silver

Style Designator:

Flat leaf contact w/ round flatted fixed point

Terminal Type And Quantity:

1 eyelet end opposite contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
