**Point Diameter:**

0.047 inches

**Overall Length:**

2.750 inches

**Overall Width:**

0.750 inches

**Voltage Rating In Volts:**

600.0 dc

**Current Rating In Amps:**

10.0

**Mounting Method:**

Spring tension

**Material:**

Silver contact

**Precious Material And Location:**

Contact silver

**Precious Material And Weight:**

0.005 silver grains, troy

**Precious Material:**

Silver

**Surface Treatment:**

Any acceptable body

**Style Designator:**

Leaf tap contact w/ round flatted fixed point

**Terminal Type And Quantity:**

1 pin axially at one end

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A222a0
