#### **Point Diameter:**

0.047 inches

#### **Overall Length:**

2.750 inches

# **Overall Width:**

0.750 inches

# Voltage Rating In Volts:

600.0 dc

# **Current Rating In Amps:**

10.0

# **Mounting Method:**

Spring tension

### Material:

Silver contact

### Precious Material And Location:

Contact silver

# Precious Material And Weight:

0.005 silver grains, troy

# Precious Material:

Silver

# Surface Treatment:

Any acceptable body

#### Style Designator:

Leaf tap contact w/ round flatted fixed point

# Terminal Type And Quantity:

1 pin axially at one end

Shelf Life:

N/a

#### Unit Of Measure:

---

#### Demilitarization:

No

#### Fiig:

A222a0
