Overall Length:

1.625 inches

Overall Height:

0.375 inches

Overall Width:

0.750 inches

Unthreaded Mounting Hole Diameter:

0.188 inches

Mounting Facility Quantity:

1

Mounting Method:

Unthreaded hole

Material:

Silver body and contact

Precious Material And Location:

Contact silver

Precious Material And Weight:

0.100 silver grains, troy

Precious Material:

Silver

Style Designator:

Irregular shape

Terminal Type And Quantity:

1 eyelet mounting end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
