Terminal Quantity:

4

Terminal Type:

Screw

Overall Length:

5.437 inches

Overall Width:

0.984 inches

Overall Thickness:

0.312 inches

Contact Quantity:

5

Mounting Configuration:

Two 0.2055 in. Diameter drilled mtg holes on 5-3/16 in. Centers

Structural Design:

Nonpile-up

Contact Item Name Assigned By Government Agency:

Fixed contacts

Government Agency Controlling Contact:

General electric company

Contact Identifying Number Assigned By Government Agency:

M-6411889-101 and 6411889-102

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T142-d
