Body Material:

Metal, ferrous or steel, corrosion resisting

Diameter:

1.000 inches

Length:

0.296 inches

Thread Size:

11/16-24

Mounting Method:

Thread

Fastening Facility:

Knurled edge

Chain:

Not included

Insert:

Not included

Surface Treatment:

Passivate

Surface Treatment:

Passivated

Fsc Application Data:

Cap, electrical multiapplication

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T174-g
