Special Features:

0.625 in. Dia; 0.312 in. H; 1 hole 0.335 in. Diameter centrally located

Material:

Aluminum alloy

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-std-171 7.5 hard military standard single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600

Mil-std (military Standard):

Mil-std-171 spec.
