Overall Length:
0.766 inches
Pin Diameter:
0.062 inches
Cable Entrance Diameter:
0.067 inches
Mounting Method:
Force fit
Material:
Copper alloy body
Surface Treatment:
Gold contact
Surface Treatment Specification:
Mil-g-45204, type 2, cl 1 military specification single treatment response contact
Style Designator:
Pin contact
Terminal Type And Quantity:
1 crimp end opposite contact
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A222a0
Mil-std (military Standard):
Mil-g-45204 spec.
