**Overall Length:**

0.460 inches

**Overall Width:**

0.300 inches

**Unthreaded Mounting Hole Diameter:**

0.115 inches single mounting facility and 0.118 inches single mounting facility

**Mounting Facility Type And Quantity:**

1 unthreaded hole single mounting facility

**Material:**

Aluminum alloy 5052

**Material Specification:**

Qq-a-250; h32 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03600
