Overall Length:

0.460 inches

Overall Width:

0.300 inches

Unthreaded Mounting Hole Diameter:

0.115 inches single mounting facility and 0.118 inches single mounting facility

Mounting Facility Type And Quantity:

1 unthreaded hole single mounting facility

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250; h32 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
