Overall Length:

5.500 inches

Overall Height:

2.630 inches

Overall Width:

4.810 inches

Material:

Aluminum alloy 6063

Material Specification:

Qq-a-274/t6 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, class 2 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600

Mil-std (military Standard):

Mil-a-8625 spec.
