Voltage Rating In Volts:
300.0 ac
Current Rating In Amps:
3.0
Material:
Plastic polyamide body
Surface Treatment:
Nickel contact
Surface Treatment Specification:
Qq-n-290, class2 federal specification single treatment response contact
Terminal Type And Quantity:
1 wire wrap axially at one end
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A222a0
