Point Diameter:

0.156 inches

Overall Length:

1.812 inches

Overall Height:

0.438 inches

Overall Width:

0.594 inches

Mounting Facility Quantity:

1

Point Height:

Between 0.063 inches and 0.068 inches

Mounting Method:

Unthreaded hole

Material:

Platinum contact and iridium contact

Precious Material And Location:

Contact material platinum and contact material iridium

Precious Material:

Platinum and iridium

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
