Overall Length:

1.810 inches

Overall Height:

0.500 inches

Overall Width:

1.810 inches

Unthreaded Mounting Hole Diameter:

0.156 inches all mounting facilities

Mounting Facility Type And Quantity:

4 unthreaded hole single mounting facility

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-200 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 2 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600

Mil-std (military Standard):

Mil-a-8625 spec.
