**End Application:**

An/apx-78

**Joint Electronics Type Designation System Item Name:**

Heat exchanger, air to air, transponderf

**Joint Electronics Type Designation System Item Type Number:**

Hd-778/apx-78

**Pressurization Connection:**

Not included

**Special Features:**

Serves as a mounting plate for the radar transponder

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

T213-e
