Overall Length:

2.031 inches

Overall Diameter:

2.406 inches

Unthreaded Mounting Hole Diameter:

0.120 inches single mounting facility

Accommodated Item Securing Device Type:

Friction fastener

Mounting Facility Type And Quantity:

1 unthreaded hole single mounting facility

Special Features:

Mounting hole located in.0.500 in.Lg by 0.312 in. W mtg ear

Material:

Aluminum

Surface Treatment:

Enamel

Style Designator:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
