Electrical Contact - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5999-00-217-0955

Voltage Rating In Volts:

115.0 ac

Current Rating In Amps:
5.0

Mounting Method:
Terminal

Material:

Carbon contact

Precious Material And Location:

Contact silver

Precious Material:

1.000 silver grains, troy

Silver

Surface Treatment:

Silver contact

Terminal Type And Quantity:

Precious Material And Weight:

1 wire wrap axially at one end

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A222a0
