AeroBase Group

View Online at https://aerobasegroup.com/nsn/5999-00-220-9166

Overall Length:

0.435 inches

Overall Diameter:

0.218 inches

Mounting Facility Quantity:

2

Voltage Rating In Volts:

6000.0 dc

Current Rating In Amps:

0.001

Mounting Method:

Unthreaded hole

Special Features:

Two 0.015 w sawed slots 9/32 in lg closed at end df contact

Material:

Copper alloy body

Surface Treatment:

Tin contact

Style Designator:

Socket contact

Terminal Type And Quantity:

1 crimp side

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
