## NSN 5999-00-233-0226

Electrical Contact - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5999-00-233-0226 **Point Diameter:** 0.250 inches **Overall Length:** 0.938 inches **Overall Height:** 0.250 inches **Overall Width:** 0.250 inches **Unthreaded Mounting Hole Diameter:** 0.188 inches **Mounting Facility Quantity: Voltage Rating In Volts:** 115.0 ac **Current Rating In Amps:** 10.0 **Mounting Method:** Unthreaded hole Material: Silver contact **Precious Material And Location:** Contact silver **Precious Material And Weight:** 1.000 silver grains, troy **Precious Material:** Silver **Surface Treatment:** Any acceptable body **Style Designator:** Leaf tap contact w/ round flatted fixed point

Terminal Type And Quantity:
1 bus (bar) conductor center
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:

A222a0
