Overall Height:

0.406 inches

Overall Diameter:

1.000 inches

Unthreaded Mounting Hole Diameter:

0.169 inches

Mounting Facility Quantity:

1

Current Rating In Amps:

15.0

Mounting Method:

Unthreaded hole

Material:

Silver contact

Precious Material And Location:

Body and contact silver

Precious Material And Weight:

0.010 silver grains, troy

Precious Material:

Silver

Style Designator:

Round fixed point contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A222a0
