Terminal Quantity:

3

Terminal Type:

Solder lug

Overall Length:

3.750 inches

Overall Height:

1.375 inches

Overall Width:

1.250 inches

Contact Form Arrangement:

1c

Mounting Configuration:

One mtg holes centrally located

Structural Design:

Pile-up

Special Features:

Palladium and silver alloy contacts; spray w/moisture and fungus resistant lacquer

Precious Material And Location:

Contacts palladium and contacts silver

Precious Material:

Palladium and silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T142-d
