Overall Length:

1.274 inches

Overall Height:

0.440 inches

Overall Width:

0.500 inches

Unthreaded Mounting Hole Diameter:

0.196 inches

Mounting Facility Quantity:

1

Voltage Rating In Volts:

440.0 ac

Current Rating In Amps:

1.7

Mounting Method:

Unthreaded hole

Material:

Silver contact

Precious Material And Location:

Contact silver

Precious Material And Weight:

0.100 silver grains, troy

Precious Material:

Silver

Surface Treatment:

Cadmium body

Style Designator:

Irregular shape

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A222a0
