Overall Length:

0.750 inches

Overall Height:

0.375 inches

Overall Width:

0.562 inches

Unthreaded Mounting Hole Diameter:

0.188 inches

Mounting Facility Quantity:

1

Voltage Rating In Volts:

250.0 ac

Current Rating In Amps:

25.0

Mounting Method:

Unthreaded hole

Material:

Silver contact

Precious Material And Location:

Contact silver

Precious Material And Weight:

0.100 silver grains, troy

Precious Material:

Silver

Style Designator:

Irregular shape

Terminal Type And Quantity:

1 bus (bar) conductor mounting end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
